

People of Air Selangor
featuring

***Ts. Munirah
Muhammad***

*Head of Water Analyst 2 Unit, Planning Section
Planning & Capital Works*

“ I’m highly involved with planning mega projects,
**ensuring sustainable water sources
for future generations**
with the help of data and technology. ”

*“As a woman in a male-dominant industry,
I embrace my responsibilities with
passion and adaptability, committed to
making a positive change in the world.”*

Skim Bekalan Air

RASAU

*“The Rasau Water Supply Scheme project is dear to me as **contributing to its realisation has provided me with invaluable knowledge and expertise.**”*

“ I appreciate the growth opportunity here as I learn new things every day with the ever-evolving water industry. ”
